The concept design of the hood K638BFB90 is how to combine the beauty of black and performance to enhance quality of life for modern home kitchen with low maintenance.

HONEY COMB BAFFLE FILTER

Mindfully design of MEX with Triple-Layered Baffle filters equips with the honey comb stainless steel filter which creates ramble channels obstruction to increase capability of cooking grease and oil extraction.

WHY MEX BAFFLE FILTER CHIMNEY HOOD?

High Filtration Efficiency

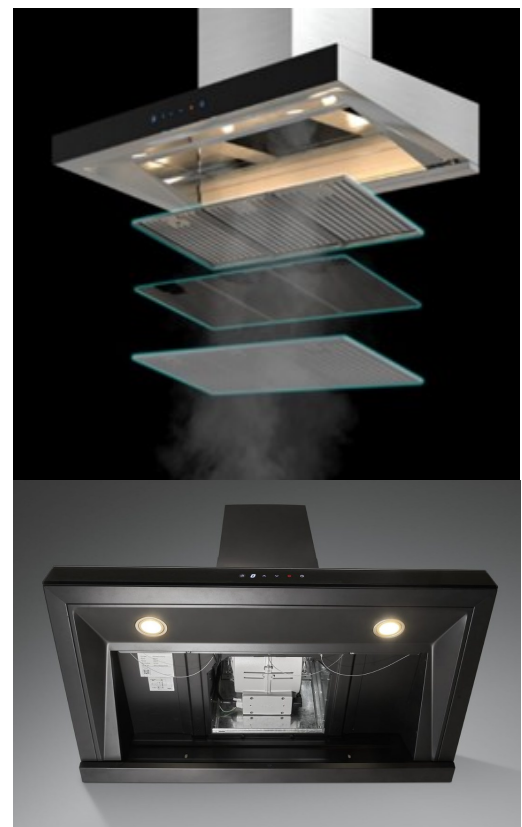

High Filtration Efficiency to capture oil and airborne grease before entering to the system while effectively exhausting the rest smoke, fume or odor.

Save your time

MEX Honey Comb Baffle Filter save your time Convenient clean interior and will reduce your need for regular hood cleaning because of less built-up grease in exhaust system.

Long-term performance

MEX Honey Comb Baffle Filter keep long-term performance and durability higher than other filter. Enhance extractor power by new design Sirocco Blower combine with a motor 380 watt providing extraction rate capacity 1,188 m3/h

CHIMNEY HOOD K638BFB90

FEATURES

The matt black hood K638BFB90 is assembled with each element that is designed meticulously and developed functionally superior operation and maintenance.

- 90 cm. T-Shaped wall mounting hood

- Aluminium alloy housing Motor power : 380 watt.
- Maximum air extraction rate : 1,188 m3/h
- Net air extraction rate performance : 950 m3/h
- 4 speeds
- Power off delay timer (3 and 7 minutes)

SPECIFICATION

PRODUCT MEASUREMENT

Overall Dimension	W898 x D500 x H535 –995 mm.
Net Weight	22.5 Kg.

PACKAGING MEASUREMENT

Overall Dimension	W560 x D965 x H580 mm.
Gross Weight	26.5 Kg.

INSTALLATION REQUIREMENT

Installation Type	Wall mounted
Suitable for	Ducted operation only
Minimum clearance to gas/ electric cook top	750 mm.
Ducting connection	Ø150 mm.

ELECTRICAL

Power Supply	220–240V ~50 Hz.
